

Alessia Peracca

Program Manager, Italy

Alessia has a degree in Communication from the IULM – University in Modern Languages.

She started her career in communication and marketing. Then she diversified her experience in business unit with high technological components becoming an account manager with team supervision focus and task force coordination in high stressed activities.

She started her Coaching practice in 2008, graduated with Asterys Lab. Current certifications include: EQ Assessor Certification by Six Seconds, Individual Effectiveness by JCA, and Extended DISC by Extended DISC.

She leads Coaching Path for individuals and teams. Her Coaching Model adheres to ICF Ethic Code and she uses emotional information to improve performance in her coachees.

Certifications in different assessment tools help her to create a deep change maintaining very strong partnership with both individuals and team clients.

She is currently Program Manager for Six Seconds.
